

**Project 2025**  
**The Heritage Foundation**  
(with a coalition of 100 conservative orgs)

**"Our goal is to assemble an army of aligned, vetted, trained, and prepared conservatives to go to work on Day One to deconstruct the Administrative State."**

Edited by Paul Dans and Steven Groves  
Foreword by Kevin Roberts, PhD

**Public Education: “The Dept. of Education should be eliminated”**

**“Education choice” + Not responsible for civil rights protections**

**Reproductive Health: “HHS should be known as the Dept. of Life”**

**Reject abortion + protect “from conception to natural death”**

**CDC must increase “abortion surveillance”**

**Religious exemptions for employers to deny birth control**

**LGBTQ Equality: End anti-discrimination protections**

**Medical professionals can deny care for religious reasons**

**“Biblical” Marriage and Family: “Married men and women are the**

**ideal, natural family structure” + No “gender identities”**

**Foster Care: Taxpayer-funded foster care agencies can turn away  
parents based on religion**

**Public Health Policy: Religious beliefs take priority**

**“Proper balance of lives saved versus souls saved”**

**Religious exemptions for vaccinations**

**Labor: Dept. of Labor must end anti-discrimination protections**

**“Employers may make employment decisions based on  
religion regardless of nondiscrimination laws”**

**“The Judeo-Christian tradition [recognizes work]  
as service to God”**

**“God ordained the Sabbath as a day of rest”**

**“These examples are just the tip of the iceberg. Project 2025 [in its 900-page  
plan] touches on everything from immigration to law enforcement to  
environmental policy to voting rights”**

**~Americans United for Separation of Church and State**
