

INVADING BABYLON

Lance Wallnau (w/other "prophets" and "apostles")

"Infiltrating every area of life"

"Taking land for our King"

"Taking spiritual ground by occupying the spiritual gates of our cities."

"That the kingdoms of this world become the Kingdoms of our God"

"We have been given authority over this planet"

"It is the authority to bring Heaven to earth"

"The goal is the transformation of society itself by invading the systems of the city in order to serve"

"Invading the educational system is essential"

"As kings, we have authority to administrate over earth and all demonic opposition"

"The Founding Fathers neither intended there to be any separation between the one true God and the State, nor was there any confusion as to who that God was ... the God and Father of our Lord Jesus Christ"

"We must take back the gates"

"Prosperity is the will of God, while poverty is the will of satan"

"We must win the battle!"
