

A New Kind of Empire

Nature and Community

"The empire of the Creative Force of the Universe is like the smallest seed falling on the earth, yet when it grows, it will become the largest plant, with branches and shade for birds to make their nests."

~Jesus of Nazareth,
Mark 4

"Humanity was created by Nature to live in community."

~Epictetus of Nicopolis,
Fragment 1

"The greatest empire is to be emperor of oneself."

~Seneca, Letter 113
